## SERVING OUR COMMUNITY

The Salvation Army Corps in Salisbury opened in 1913 as one of the first established in the United States. Serving Somerset, Wicomico and Worcester counties, the Salisbury Corps provides wholesome activities at a time when our youth are most receptive.

The Salvation Army serves as a positive influence on young lives. We provide a safe environment with after-school care, tutoring, and character-building programs in addition to youth sports programs. During the summer months, we provide day camp, vacation bible school, pool and swimming lessons.

Proceeds from this tournament support all of our youth programs! Give us a call to get a personal tour of the facilities to see where you can help children and families in need in our community.
